and all of February weather permitting.
Some newer varieties may be in limited supply
Some may be blind eyes only.
Many other older varieties are also available.
Some newer varieties may not be listed and are in
limited supply.

I have all of Hulyn's very variegated camellias.

I have Pat Johnson's new registrations.

I have most of John Wang's new registrations.

Look for pictures of these camellias on the Atlantic Coast
Camellia website under Camellia Education. Click on Camellia
Picture Library, Camellia Floris Bibliotheca
www.Atlanticcoastcamelliasociety.org

**After February 1, many scions may only be blind eyes, but
the take just as good as terminal buds. Terminal buds grow early in the
greenhouse. Blind eyes grow later, but do just as good.
Almost all my grafts are made with blind eyes.**
